2.1.1 Enrolment percentage

2.1.1.1. NUMBER OF STUDENTS ADMITTED YEAR WISE DURING LAST FIVE YEARS

(Only first year admissions to be considered)

DVV Clarification

DVV has suggested to provide approved admission list year-wise/program-wise from the affiliating University. HEI has attached herewith the number of students approved by University which we have downloaded from university website and attached herewith for your kind information. DVV suggested 142 students in the Academic year 2022-23. But the actual number is 143. We indicated 143 students in our admission sheet. University also indicates 143 students. So the data match. Moreover, we attach herewith all five years' documents for your kind information. Please acknowledge.
