Report on "Environment Awareness Seminar for Students"

Organized under Saptadhara by the Community Service Stream in collaboration with
The Eco-Friendly Campus Initiative, Atul Foundation

Programme Name: Environment Awareness Seminar for Students

Organizer: Community Service Stream under Saptadhara in collaboration with The Eco-Friendly Campus Initiative, Atul Foundation

Date: 11 September 2026

Time: 11:30 a.m.

Venue: Government Arts and Science College, Kaparada

Attendance: Male Students – 25, Female Students – 48 (Total Students: 73) and Faculty
Members – 22 (Total Attendance: 95)

2. Background of the Programme

In the present time, problems such as environmental pollution, plastic waste, water pollution and improper waste management are increasing. The protection and conservation of the environment is not only the responsibility of the government or an institution but also the collective responsibility of every individual.

With the objective of developing environmental awareness, responsibility and a sustainable lifestyle among students, the Community Service Stream under Saptadhara, in collaboration with The Eco-Friendly Campus Initiative, Atul Foundation, organized the "Environment Awareness Seminar for Students."

The programme was organized under the guidance of In-charge Principal Mr. Manojkumar P. Patel and under the chairmanship of Mr. Anishbhai C. Gamit, Chairman of the Community Service Stream.

3. Objectives of the Programme

- To create environmental awareness among students.
- To motivate students to protect and conserve the environment.
- To develop an understanding of scientific waste management.
- To develop the habit of separating dry and wet waste.

સ્થાપના વર્ષ ૨૦૧૨-૬-મેઇલ: gackaparada@gmail.com, URL: www.kaparadacollege.org

- To create awareness about the harmful effects of excessive use of plastic.
- To explain the harmful effects of burning plastic on the environment and human life.
- To create awareness among students about the importance of saving water.
- To motivate students to adopt a sustainable and eco-friendly lifestyle.
- To provide necessary information for making the college campus more eco-friendly and green.

4. Detailed Description of the Programme

The programme was organized under the guidance of **In-charge Principal Mr. Manojkumar P. Patel**. At the beginning of the programme, the invited guests were welcomed. **Mr. Deepak Lodha and Mr. Manoj Kurkutiya** were welcomed by **In-charge Principal Mr. Manoj P. Patel**.

The programme was conducted by **Dr. Nirvan**. Thereafter, the students were provided with important information about environmental awareness and environmental protection.

The representatives of **Atul Foundation** provided information about environmental protection, the **Eco-Friendly Project** and the development of the college campus in an eco-friendly manner. The importance of the environment in daily life was explained to the students. They were motivated to adopt a lifestyle that does not cause harm to the environment.

Detailed information was provided about the **scientific management of waste in villages**. The students were also informed about the harmful effects of throwing waste in open places on the environment, animals and human life.

Special emphasis was given to the **harmful effects of burning plastic**, the harmful impact of plastic on aquatic organisms and the environmental problems caused by the use of plastic. The students were guided to reduce the use of plastic, dispose of it properly and adopt reuse and eco-friendly alternatives wherever possible.

The students were also informed about the **different types of dustbins**. They were explained which type of waste should be placed in which dustbin. The importance of keeping **dry waste and wet waste separately** was also explained.

Through various **PPT presentations and photographs**, the students were made aware of the harmful effects of improper waste management and the benefits of proper waste management.

સ્થાપના વર્ષ. ૨૦૧૨-૮-મેઇલ: gackaparada@gmail.com, URL: www.kaparadacollege.org

During the programme, Mr. Manoj Kurkutiya conducted an activity with the help of Flash Cards. Students were shown examples of different types of waste and were asked to identify the category to which each type of waste belonged. This activity encouraged students to participate actively and helped them gain practical knowledge about the proper classification of waste.

5. Major Highlights of the Programme

- Organization of the “Environment Awareness Seminar for Students.”
- Information about the Eco-Friendly Project by Atul Foundation.
- Guidance on developing the college campus in an eco-friendly manner.
- Information about scientific waste management.
- Explanation of the proper classification of dry and wet waste.
- Awareness about the harmful effects of plastic use and burning plastic.
- Explanation through PPT presentations and photographs.
- Information about different types of dustbins.
- Organization of an interesting activity through Flash Cards.
- Development of practical understanding among students regarding proper waste classification.

6. Benefits to the Students

- Environmental awareness among students increased.
- Students developed a practical understanding of proper waste management.
- Students understood the importance of separating dry and wet waste.
- Awareness was created about the harmful effects of plastic use.
- Students understood the harmful effects of burning plastic.
- Awareness developed about the conservation of water and aquatic organisms.
- Students developed an interest in adopting an eco-friendly lifestyle.
- Students were motivated to keep the college campus clean and eco-friendly.

7. Learning Outcomes

Government Arts & Science College, Kaparada સરકારી વિનયન અને વિજ્ઞાન કોલેજ, કપરાડા

Accredited with B-Grade by NAAC

મુ.પો.- કપરાડા નિશાળ ફળિયા પાણીની ટાંકી પાસે તા.- કપરાડા જી.- વલસાડ, પિનકોડ નં. ૩૯૬ ૦૬૭

સ્થાપના વર્ષ ૨૦૧૨-૪-મેઇલ: gackaparada@gmail.com, URL: www.kaparadacollege.org

After the completion of the programme, the following **Learning Outcomes** were observed among the students:

- Students became able to understand the importance of environmental protection.
- Students became able to identify different types of waste.
- Students understood the proper method of separating dry and wet waste.
- Students developed an understanding of the harmful effects of improper use of plastic.
- Students understood the need for scientific waste management.
- Students became aware of the conservation of water and aquatic organisms.
- Students developed a positive attitude towards adopting a clean and eco-friendly lifestyle.
- Students developed a stronger sense of social responsibility towards the environment.

8. Impact of the Programme

The “**Environment Awareness Seminar for Students**” increased awareness among students about **environmental protection, waste management and the proper use of plastic.**

Through PPT presentations, photographs and Flash Card activities, students received not only theoretical information but also a **practical understanding** of the proper classification of waste.

The programme motivated students to develop good habits such as **separating dry and wet waste, reducing the use of plastic, disposing of waste at the proper place, saving water and protecting the environment.**

The programme also created a positive atmosphere for developing the college campus into a more **clean, green and eco-friendly campus.**

9. Programme Management

The programme was conducted by **Dr. Nirvan**. After welcoming the invited guests, information was provided about environmental protection, waste management, plastic pollution and the Eco-Friendly Campus. Students were actively involved through PPT presentations, photographs and Flash Card-based activities. These activities made the programme interesting, informative and practical.

10. Acknowledgement

Gratitude was expressed to In-charge Principal Mr. Manojkumar P. Patel for his guidance and encouragement, Mr. Anishbhai C. Gamit, Chairman of the Community Service Stream, for his guidance as Chairman, the representatives of Atul Foundation, Dr. Nirvan for conducting the programme, Mr. Deepak Lodha, Mr. Manoj Kurkutiya, all the faculty members for their cooperation and all the students for their enthusiastic participation.

11. Conclusion

The “Environment Awareness Seminar for Students”, organized by the Community Service Stream under Saptadhara in collaboration with The Eco-Friendly Campus Initiative, Atul Foundation, was an important activity for developing environmental awareness and responsibility among students.

During the seminar, students received information about scientific waste management, dry and wet waste, the harmful effects of plastic use, water conservation and the Eco-Friendly Campus. The activities conducted through PPT presentations, photographs and Flash Cards provided students with an opportunity to understand the subject easily and learn it practically.

The programme successfully developed a positive attitude among students towards cleanliness, environmental protection, proper waste management, reduced use of plastic and a sustainable lifestyle.
